HELP WITH SUBMISSION OF ADVANCE INCOME STATEMENT

At Spiras we would very much like to offer help to anyone who needs support when reporting advance income statement. It can be employees on farms, their spouses and other foreigners from others professions that needs help.

Especially for foreign citizens who are not familiar with the Danish tax system, a little help may be appropriate to avoid later surprises regarding tax collections.

Contact us and make an appointment with one of our consultants, when it suits you.

Communication is important in this regard. That is why we offer counseling in several different language, so that there will be no misunderstandings when working with personal information.

The price for our help: 750 DKK incl. VAT a piece (for students 500 DKK). You can pay via MobilePay, in cash or invoice sent by mail. All you have to do is to bring your MitID so that it is possible to submit the relevant information. For cases that takes longer, we charge an hourly rate.
